TESTIMONIALS

SOHAM THUNE
IIT - Dhanbad

My name is soham thune, and I have been studying at Patil's classes since grade 9. My journey here has been amazing. When I joined Patil's classes, I was weak in some subjects, especially Maths. But with time, the teachers helped me improve and clear all my doubts. The atmosphere at Patil's classes was always friendly and motivating, which made learning enjoyable. The teachers were very supportive and inspiring. They guided me at every step and made me feel comfortable asking questions anytime. Because of their constant support, I was able to crack JEE advanced and get a seat at IIT dhanbad. I am truly thankful to Patil's classes for helping me at every stage of my journey.

SARTH DHARPURE
VNIT - Nagpur

I'm sardh dharpure, and I've been with Patil's classes since 9th standard. Over the years, I improved not only in academics but also in communication skills, thanks to supportive Teachers, friendly staff, and batchmates. During JEE preparation, the guidance from faculty especially in maths helped me overcome my weak points. The system at Patil's classes kept me focused and consistent, which helped me crack JEE mains and advanced with a good rank. I'm truly grateful for the overall growth i achieved here

SOMANSH CHORDIA
AIR - 1 CAT 100%ile IIT, Bombay

Your classes made me realized my abilities and I felt confident. As an introvert, being able to speak out in class meant a lot to me. I even enjoyed waking up early because you teaching made learning feel like exploring something exciting. You didn't just teach PCM you also instilled soft skills like punctuality, discipline, and attention to detail, lessons i still carry today. Your examples made me love science and eventually inspired me to become an engineer. though i graduated long ago, your teachings still guides me every day.
